You have had crews on the project working under the premise you would provide insurance. This is to be considered notice to you, to remove any and all persons related to Article IV Development from the Arbor Woods project immediately. No contract will be issued to Article IV. Please determine the amount of work done to date and cost of materials supplied and we will come to an agreement as to monies owed Article IV Development by Affordable Housing Construction. This is not a negotiation. Please act immediately.</p> <p>Thank You,</p> <p>Matthew T. Martin</p>
